COMPLETE UTILITY WORK FOR PIZZA HUT PERMIT IN TALLASSEE, ALABAMA PROJECT NO. ST-026-014-002 Sixth Division

REQUISITION NO.: 604-961594
SNAP NO.: 1419678

1.0 CONTRACTOR REQUIREMENTS – GENERAL

- 1.1 Pursuant to section 34-8-1(a) of the Code of Alabama, each contractor must submit with their bid, proof of licensing through the Alabama State Board of Licensing for General Contractors, with approved maximum bid limits sufficient to cover the bid related to this specification. Failure to comply will be cause for rejection of the bid. A copy of the vendor's current year's license will expedite the evaluation process.

******APPLIES TO BIDS IN EXCESS OF \$50,000.00 ONLY!******

- 1.2 Each contractor should submit with their bid, proof of liability insurance in the minimum amount of \$500,000 per occurrence, \$1,000,000 aggregate. Each contractor should further provide proof of workman's compensation insurance sufficient to satisfy all legal requirements of the State of Alabama. Failure to provide this documentation with the bid package will delay the bid evaluation process.
- 1.3 The successful bidder will be required to submit a performance bond, in the amount of the bid price prior to award of the purchase order.
- 1.4 All documentation MUST be submitted prior to award of the purchase order. All insurance certificates and bond instrument shall indicate State of Alabama, Department of Finance, and Division of Purchasing as certificate bond holder.
- 1.5 In accordance with Section 41-16-59 of the Code of Alabama, the successful bidder in this solicitation is restrained from assigning or sub-contracting any portion of the work under this contract.
- 1.6 Due to the nature of this project, award will be made on an "All or None" basis to the recommended vendor, who during the course of our bid evaluation is found to be the lowest responsible bidder. Each vendor will indicate a "per item" unit price in the appropriate blank in the text of the requisition. Award will be made adding together all unit item costs for a total bid.

2.0 WORK SCOPE

- 2.1 All work shall be done in compliance with applicable sections of the Alabama Department of Transportation Standard Specifications for Highway Construction, Latest Edition, Alabama Department of Transportation Standard Drawings, and the MUTCD. The materials used shall be chosen from the Materials, Sources, and Devices with Special Acceptance Requirements Manual.
- 2.2 The quantity stated in this solicitation is an estimate only for comparative purpose and in no way obligates the department to any specific quantity of purchases or repair. Actual maintenance requirements may be less than or greater than the estimated quantity as shown for each item. All quantities and dimensions are estimated and should be field verified by contractor.
- 2.3 The contractor will be responsible for all traffic control measures. The contractor will be responsible for all traffic control devices (MUTCD) and Chapter VI of the most current edition of the Standards and Guides for Traffic Controls for Street and Highway Construction, Maintenance, Utility, and Incidental Management Operations. Night work and restrictions of work hours may be required.
- 2.4 The contractor will notify the District Manager twenty-one (21) days prior to beginning work. The traffic control scheme and work schedule shall be submitted to the District Manager for his review prior to starting work.

3.0 PERFORMANCE REQUIREMENTS

- 3.1 Bid price shall include all materials, hardware, supplies, tools, equipment, labor, transportation and other necessary incidentals required for the completion of the work in an approved and satisfactory manner.
- 3.2 The performance of any work under these specifications will not be deemed complete until the contractor has satisfactorily removed all debris and cleaned up the work site. At no time during the performance of work will materials, debris, or trash be allowed to accumulate in such a manner as to endanger the safe performance of the work or the safety of the traveling public.
- 3.6 The contractor shall warrant the performance of the work for a period of one year from the date of the completion of all repaired work. Final acceptance of this work will be subject to approval by the Utility Company involved.

3.7 In order to place a bid, contractors shall be required to make a mandatory site investigation.

4.0 **PAYMENT**

4.1 Unit of payment will be in accordance with that described in Section 641 of the ALDOT 2008 STANDARD SPECIFICATIONS.

4.2 Contractor will be paid in accordance with that described in Section 641 of the ALDOT 2008 STANDARD SPECIFICATIONS.

4.3 Payment in accordance with unit prices as bid will be payment in full for all labor, fuel, equipment, materials, traffic control, incidentals and other items of work. **Mobilization will be a subsidiary obligation of the completion of Utility Work associated on SR-14 for access to benefit Pizza Hut permit in Tallassee.**

4.4 Contractor shall coordinate all field work through the District Manager, Mr. Tim Wright at 334-567-4379.

Contact Mr. David (Bo) Lewis, Division Utility Engineer, at (334) 241-8537 for additional information if needed.
